Re: *United States v. Rare Breed Triggers, LLC, et al.*, No. 23-cv-369 (Morrison, J.)
(Levy, M.J.)

Dear Judge Morrison:

Defendants write to request that the hearing on the United States' Motion for a Preliminary Injunction, which is currently scheduled for May 31, 2023, be continued until June 7, 2023, or later, consistent with this Court's schedule. Necessary defense witnesses are unavailable for the hearing as scheduled, but a 7-day continuance will allow their appearance. Defendants also consent to any necessary extension of the Court's existing temporary restraining order caused by this continuance. Counsel for the United States, Assistant United States Attorney Michael Blume, indicates that the Government does not oppose this request. The parties also respectfully request that the Court hold a final pre-hearing status conference on May 31 or June 1 at a time convenient for the Court.

Respectfully submitted,

/s/Caleb Kruckenberg
